So what is indoor hockey, anyway?

Indoor hockey is played in a gymnasium on an area slightly larger than a basketball court. There are five players per team (one goalie and 5 field players) and boards along the sideline to allow for continuous play.

Why play indoor hockey?

The quick indoor surface really allows players to focus on perfecting their ball-handling skills, and the small playing area helps players to become more proficient in their short passing skills. But not only is indoor hockey a great time to improve your stick skills, but indoor is a lot of fun and is a great way to meet new people and stay in shape!

Who should play?

Any youth player (in grades 8, 9, 10, 11 or 12), beginner to advanced, who would like to improve their stick skills is encouraged to play indoor. Any player who is contemplating playing in college should definitely play indoor hockey, as most collegiate programs include indoor hockey as part of their off-season play. In addition, many collegiate programs play on turf, so getting experience on the fast indoor surface is a great way to prepare for college!

Who is the Baltimore Field Hockey Association?

BFHA is a non-profit organization that serves to promote the sport of field hockey in the Baltimore area. BFHA sponsors high school and adult field hockey leagues and tournaments throughout the year. For more information about BFHA, please visit our website at www.BFHA.org

COVID-19 Participant Waiver

The novel coronavirus, COVID-19, has been declared a worldwide pandemic by the World Health Organization. COVID-19 is extremely contagious. As a result, federal, state and local governments and federal and state health agencies recommend social distancing and have, in many locations, prohibited the congregation of groups of people.

Baltimore Field Hockey Association (BFHA) has put in place preventative measures to reduce the spread of COVID-19; however we cannot guarantee that you will not become infected with COVID-19. Further, participation in our leagues could increase your risk of contracting COVID-19.

By signing this agreement, I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that I may be exposed to or infected by COVID-19 by my participation in the Indoor league and that such exposure or infection may result in personal injury, illness, permanent disability, and death. I understand that the risk of becoming exposed or infected by COVID-19 at facilities contracted by BFHA may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Garrison Forest School employees, volunteers, and program participants and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I may experience or incur in connection with my attendance at GFS, or participation in BFHA's indoor league. I hereby release, covenant not to sue, discharge, and hold harmless BFHA and GFS, its employees, agents, and representatives, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereto. I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of BFHA and GFS, its employees, agents, and representatives, whether a COVID-19 infection occurs before, during or after participation in any BFHA league program.
